

BEFORE

THE PUBLIC SERVICE COMMISSION OF

SOUTH CAROLINA

DOCKET NO. 1999-434-E/C – ORDER NO. 2000-0097

JANUARY 26, 2000

IN RE: Application of Carolina Power & Light Company)	ORDER
and InterPath Communications, Inc. to Transfer)	GRANTING MOTION
Ownership of CP&L and InterPath to a Holding)	TO EXTEND
Company.)	PRE-FILE DATES
)	AND RESCHEDULE
)	HEARING

This matter comes before the Public Service Commission of South Carolina (“Commission”) on the request of Carolina Power & Light Company (“CP&L”), the Consumer Advocate for the State of South Carolina (“Consumer Advocate”), and Nucor Steel, a Division of Nucor Corporation (“Nucor”) (jointly referred to herein as “Parties”). By their request, the Parties seek a one-week postponement in the pre-filing dates established by Commission Order No. 2000-026 and a one-week postponement of the hearing scheduled in the instant Docket. Specifically, the Parties request that the testimony and exhibits of Staff and intervenors be moved to January 26, 2000, and that the hearing date be moved to February 1, 2000, or the nearest available hearing date.

As the Parties have joined in the request for postponement and the Staff does not oppose the request, the Commission finds good cause to grant the request. Therefore, the Commission grants the request of the parties for a postponement of the pre-filing dates of the Staff and intervenors and for a postponement of the hearing date set for January 25, 2000.

IT IS THEREFORE ORDERED THAT:

1. Twenty-five copies of the testimony and exhibits of the Commission Staff and all intervenors shall be pre-filed on or before **January 26, 2000**. Service of testimony and exhibits shall be made on all parties as required by the Commission's Rules and Regulations.

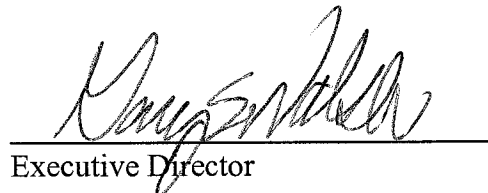

2. The Commission Staff shall reschedule the hearing in this matter for February 1, 2000, or the nearest available hearing date.

3. This Order shall remain in full force and effect until further Order of the Commission.

BY ORDER OF THE COMMISSION:

Chairman

ATTEST:

Executive Director
